Please answer the following questions. Your responses will assist workshop leaders as they prepare to address specific issues identified by participants.

- 1. Is your jurisdiction currently involved, or planning to make revisions to onsite codes?
2. What are the primary changes or obstacles affecting the revision process?
3. What areas of assistance are needed to make code/regulation revisions?
4. What specific issue or special interests affecting your jurisdiction about onsite regulations and codes would you like to see addressed at the workshop (check all that apply):
